DIEGO LOWENSTEIN

CEO, Lionstone Development LLC

The force behind the family-run business, Lowenstein, joined the company in the early 1990s. Lionstone has a 30-year record of accomplishment developing, owning, leasing and managing hospitality, gaming and residential properties throughout South Florida and the Caribbean. Lowenstein is taking the company to new heights with projects like the Ritz-Carlton South Beach. Lionstone currently has plans to develop more than 2.5 million square feet of residential and mixed-use space throughout South Florida.
