## Lionstone Development's 50th Anniversary Party

Thursday, November 17, 7pm-9pm – Ritz Carlton South Beach, 1 Lincoln Rd, Miami Beach

Lionstone Development's CEO, Diego Lowenstein, hosted companies 50th anniversary celebration at the Ritz Carlton, South Beach. Guests enjoyed cocktails, hors d'oeuvres and a distinctive musical performance by the New World Symphony.

The Lowenstein family of Lionstone Development planted its roots in Miami in 1966 with the purchase of their first hotel in Miami Beach. Since then, the family has been proud to be a part of South Florida's evolution and becoming a legacy of commitment to the past, present and future of luxury hospitality and the South Florida community.

Lionstone Development is one of Miami's most well-known and established family-owned companies with a long history of owning, developing, leasing and managing luxury hospitality, gaming and residential properties in South Florida, Chicago and the Caribbean. Some of the properties include the Ritz Carlton South Beach, the Ritz Carlton Bal Harbour, and the Chicago's Virgin Hotel in partnership with Sir Richard Branson.
